

## **Purpose**

To provide a sample set of questions to prompt through the Preceptor Support Mapping workshop:

### **Motivations and Benefits**

- What motivates you to be a preceptor?
- What benefits/opportunities do you gain from precepting?

### **Challenges and Support**

- What are the biggest challenges you face as a preceptor?
- What supports or resources are available to you as a preceptor?
- What additional supports or resources would you like to see for preceptors?

### **Preceptor-Residency Site Connection**

- How are preceptors currently connecting to the residency site? To each other?

### **Sharing of Learnings and Ideas**

- What mechanisms exist to support sharing of learnings/processes/success stories/challenges?
- What new ideas do you have when you think about how learnings/success stories/challenges could be shared across the residency site?

### **Preceptor-Resident Connection**

- How are preceptors and residents currently connecting?
- Is there additional training/professional development that would be helpful to preceptors?

### **Community and Collaboration**

- How can we create a sense of community and collaboration among preceptors?
- How would you like to see your contributions as a preceptor acknowledged and celebrated?

### **Feedback and Improvement**

- How is feedback on your precepting experience currently being collected?
- Are there any improvements or new ideas you have to support preceptors (survey, interview, 1:1, etc.)?
- What new ideas do you have?
